### **COASTAL Appointed Master Distributor of Oil Eater in Eastern Canada**

We are pleased to announce a new partnership between COASTAL Blending & Packaging and KAKFO, International for exclusive distribution of the Oil Eater® brand of degreasers, truck wash, floor cleaner, and absorbency products throughout eastern Canada and available to our customers around the globe.

Oil Eater® is a well-established brand founded on the concept of environmental and safe responsibility. The brand was built by replacing products such as solvent based cleaners with safer biodegradable, non-hazardous products. Oil Eater® features an Original Degreaser/Cleaner and an Orange Cleaner along with a Naturals line of oil absorbency pads and a traditional line of poly absorbency pads.
